

SFWMD Water Resources Staff suggested revised language for the WRAC resolution regarding the Upper Kissimmee Chain of Lakes EIS

---

WRAC Resolution requesting that the Governing Board recommend:

1. The work in conjunction with the USACE reevaluation of the Upper Kissimmee Chain of Lakes Regulation Schedule and Environmental Impact Statement (EIS) include evaluating changes in the regulation schedules to accommodate or reduce the need for lake drawdowns; and
2. The legislative funding provided to the Florida Fish and Wildlife Conservation Commission for the purpose of lake drawdowns is flexible and able to roll over from fiscal year to fiscal year consistent with the findings in the EIS mentioned above.
